Bulldog Gutter Guard can be installed on your gutter with any type of roof shingles. It slips easily over the gutter. Unique front and rear attachment system strengthens the entire gutter system and extends the life of your gutters.

How It Works

The patented design of the Bulldog Gutter Guard system filters rainwater into the gutter system while leaves and debris are blown away. The gutter system is now a free-flowing, roof drainage system working at full capacity keeping you from the danger and hassle of cleaning clogged gutters.

- **Fits new or existing gutters**
- **Does not interfere with roof shingles**
- **Invisible from the ground**
- **Can handle any downpour**
- **Unique front and rear attachment strengthens entire gutter system**
- **Prevents animals and birds from nesting**
- **Made from 98% recycled aluminum**
- **Patented ribbed-design encourages airflow to lift debris off with a gentle breeze**
- **Available in white and dark bronze**
- **Available for 5", 6" or 7" gutters**

The Bulldog Guarantee When properly installed, you will never have a gutter or downspout clog again...EVER! We're so confident in the performance of our system, we guarantee your gutter will remain clog-free for 25 years.
