

K-SCREEN

GUTTER GUARD

American Made Expanded
Metal Gutter Screen

K-Screen is a powder-coated, expanded metal gutter screen that inserts under the shingles or snaps into the gutter for a seamless look.

Four different profiles: Two under-shingle, two snap-in All quick installations

Flat

Ridged

Flat Snap-In

Ridged Snap-in

- **Small holes deflect debris**
- **Prevents leaf build-up in your gutters**
- **Powder-coated expanded metal**
- **Baked-on coating resists corrosion**
- **No screws or fasteners needed**
- **Fits all gutter styles**
- **High-quality craftsmanship**
- **4-foot lengths**
- **Available for 5", 6" or 7" gutters**

The K-Screen Guarantee

The manufacturer warrants the baked-on, powder-coated finish of its expanded gutter screen for six years from the date of installation.
